

**Steven's Amendment information** concerning federal grants that are scheduled to be received by Nashville Community High School District #99 for the 2022-2023 school year. Any questions regarding these grants may be addressed to Superintendent Brad Turner at 618 327-8286.

Title I – district receives \$41,618.00 for FY23. Funds are used to run the district's Academic Enrichment program and provide programs for students who are at risk of academic failure.

Title II – district receives \$9,140.00 for FY23. Funds are used for professional development and to reduce class size in the core subject area.

IDEA Part B Flow-Through Grant – district receives \$89,125.00 for FY23. Contractual services, such as psychological, occupational and physical therapy, school social work and administrative services, will be provided by Kaskaskia Special Education District (KSED) Joint Agreement. Included in this amount is \$4,456 of professional development provided by KSED.
